The Sky is the Limit with this 834 sqm (approx.) Block

Sitting on an outstanding 834 sqm (approx.) allotment just a stone's throw to the best of Ringwood, this original 3 bedroom home awaits a fresh start. With the benefit of a flat block, this classic single storey residence is ready for those with real imagination. Developers will love the opportunity to transform the current home into a stylish and brand new family residence, while the option of building sleek townhouses or units is also a possibility (all plans subject to council approval). 46 Arlington Street just next door has approved permits to build 4 townhouses, which gives you an idea of the amazing potential in store! Ringwood locations don't get much better than this, where you're a short walk and even shorter drive to amazing shopping, schools, parks, public transport, and major arterials.
