Oban Rise: Brand New Executive Living. Hurry Only 4 Rem...

Offering a mix of brand new, quality-built two and three-bedroom single-level and two-storey townhouses with large block sizes and north-facing backyards, here's your chance to be part of an exclusive community that delivers a superior standard of living.

Built to an exacting standard, each home features: no internally shared common walls, wide driveways, high quality fittings and fixtures, luxurious bathrooms, double-glazed windows, 2340mm (approx.) doors throughout, high ceilings, energy efficient LED lighting, solid Tasmanian Oak timber flooring, ducted vacuum, video intercom, ducted refrigerated cooling and gas ducted heating.

Kitchens are stylishly designed with German-made AEG stainless-steel appliances and sleek stone bench tops, while open-plan living areas are designed to integrate with generously proportioned yet low maintenance yards.
