Renovated Home In Excellent Location

A Must To Inspect!

Be impressed by this beautifully refurbished and renovated three (3) bedroom/study character home in one of the best locale of Bayswater. With close proximity to schools, golf clubs, Bayswater train station and all the convenient amenities in Station Street, this home is built for comfort and low maintenance living. The polished floorboards and large windows brings in abundance light, highlighting the spaciousness and charm of its interior. The open plan of the generous living and dining area is complemented by a kitchen which opens out to an outdoor setting and surrounding back garden, perfect for the family and social entertainment. The functional kitchen with an island bench is well equipped with stainless steel appliances, most ideal for the family chef. The master bedroom with a splendid view of the front garden has an ensuite and large walk in robe. The other bedroom with built in robes and one with option of bedroom/study are serviced by a modern central bathroom with shower on bath and WC facilities.
