\$690,000 - \$750,000

Indoor/Outdoor Bliss in Ideal Location

A low maintenance sanctuary that delivers supreme comfort without compromising on style, this dual level, energy efficient townhouse will instantly impress.

Stunning natural light and a neutral colour scheme permeate the ground floor where two living areas bookend a beautifully updated Italian kitchen featuring quartz stone bench tops and a combination of high quality Bosch and Blanco appliances. From here, glass sliding doors allow for a seamless transition to the Merbau entertainer's deck, peacefully overlooking an easy-care garden and veggie patch.

Double-glazed windows ideally feature on the upper floor which houses three robed bedrooms and a study nook. The master is equipped with its own ensuite while the others share a well-appointed family bathroom.

Adding to the appeal is the convenience of being in a boutique group just metres from The Pines Shopping Centre, Doncaster East Library and bus services. Zoned for Serpell
