Family Luxury in Coveted Locale

With picturesque street presence, grand proportions and excellent attention to detail, this luxury four bedroom, three bathroom home addresses all family requirements with sophistication and ease.

Beyond beautifully manicured gardens, in one of Donvale's most exclusive enclaves, there's double door entry to the ground floor which offers three separate living zones (including a rumpus with gas log fire) plus a study. This well-conceptualised design is complemented by a magnificent outdoor area comprising a covered alfresco, water feature and plumbed gas BBQ and sink.

Each of the bedrooms are housed upstairs, three boast built-in robes while the master features a large walk-in robe and high-end ensuite.

Prestige appointed against a backdrop of plush carpet and tile floors, high ceilings and elaborate lighting, the home also stars a newly renovated kitchen with stone bench tops,
