

## 3 Halifax Court DONCASTER EAST

\$950,000 - \$1,045,000

### A Tranquil Family Retreat

With a gently sloping allotment of 931sqm (approx.) offering an added sense of privacy, this inviting family home enjoys a superb indoor/outdoor lifestyle in a sought-after cul-de-sac.

A focus on comfort and practicality sees the single-level floorplan cleverly zoned to separate the sleeping quarters from the living areas. Features include four robed bedrooms (master with ensuite and WIR), a family bathroom and dual living areas centred around a stylish stone-topped kitchen.

Equally impressive are the established garden surrounds. A secure generously-sized backyard has plenty of space for kids and pets to run around, teamed with a fantastic deck for outdoor entertaining. There's also a water tank, sheds and convenient access to the double carport.
