

31A Massey Street DONCASTER

\$850,000 - \$900,000

A Stylish Sanctuary

In a secluded cul-de-sac that culminates at the Koonung Creek Trail, this multi-level sensation impresses with its size, styling and family flexibility. Carefully selected high grade finishes including polished floorboards and stone surfaces are showcased throughout a comprehensive floorplan, which begins with remote double garage entry. All the action takes place on the upper level where you'll discover generous open-plan living/dining to an alfresco deck and landscaped tiered garden complete with low maintenance artificial grass and water tank. Three robed bedrooms, two bathrooms (ensuite to master) and a gourmet kitchen fitted with S/S appliances (incl. Fisher&Paykel double drawer dishwasher) and glass splashbacks will also strike a chord. A home of this calibre is not complete without modern luxuries; enjoy the comforts of gas ducted heating, two reverse cycle A/C units, ducted vacuum, sub-floor storage and solar power unit on a Premium Feed-in Tariff until 2024. Walking distance to Wilsons Road Reserve, Park+Ride and Birralee Primary School, and within enviable proximity of Westfield and the Eastern Freeway. Easy living has never looked this good.

3 Bed | 2 Bath | 2 Car
