

## 161 Foster Street DANDENONG

Set on busy Foster st

This shop has previously been used for a pizza restaurant and has car parking at the rear for you and plenty of council carparking for your customers. Rental has been set at a lower than normal rate as we want the right tenant. Potential to build a thriving business as you have plenty of passing traffic and a hop skip and jump to the Magistrates Court and Police station. Please call Wendy for more information.
