Low Maintenance Luxe in a Lifestyle Location

Defined by unquestionable attention to detail and contemporary style, this immaculate three bedroom townhouse sets the standard for low maintenance living. Enhanced by high ceilings and quality fittings and fixtures, it offers countless benefits in an ideal location for families, investors or busy professionals.

Designed for practicality, the kitchen offers a highly modern finish with granite bench tops, S/S appliances, vibrant glass splashbacks and a breakfast bar. It oversees the open-plan lounge and dining zone, a bright and welcoming space that adjoins the entertainer's deck which is kept private by tall fences and a neat garden.

Upstairs, the sleeping quarters and open study are equally well-presented. A relaxing parents' retreat is complete with a granite twin vanity ensuite and large WIR. Serviced by the main bathroom, the additional bedrooms are comfortably-si...
