Options to Explore

Beautifully manicured gardens and city views are the hallmarks of this classic three bedroom home, situated on 726sqm (approx.) in one of Bulleen's most exclusive enclaves. Polished hardwood floors and high ceilings grace a light-filled interior offering a spacious lounge/dining zone and a stylishly renovated kitchen finished with S/S appliances. Gas heating, air conditioning and plenty of built-in storage adds to the appeal as does secure car accommodation and roller shutter blinds. Located just a short distance from schools including Marcellin College and shopping at Westfield and Macedon Square, this feature-packed find is ready to reward. Currently tenanted, there are options to occupy and enjoy at a future date or capitalise on generous dimensions and a prized location to build a brand new home or two luxury townhouses (subject to council approval).
