\$470,000 - \$515,000

Relax & Enjoy

Located for lifestyle in the very heart of Mitcham, this superior second floor apartment ticks every box when it comes to space, style and unsurpassed convenience. Timber-look floors adorn the open-plan living/dining zone, which is bookended by an entertainer's balcony and a sleek stone-topped kitchen finished with high quality glass splashbacks. The generous floorplan also offers two robed bedrooms; the master is luxurious with its own ensuite, while the second bedroom is serviced by a well-appointed main bathroom. Even the most discerning of buyers will be swayed by the home's standout list of features, including intercom, split system heating/air conditioning and a European laundry. There's dedicated secure basement parking and storage, not that you'll need it with Mitcham Train Station just moments away. Britannia Mall, EastLink, Eastland, a choice of schools and fantastic parks are also within enviable proximity, making this is an ideal first home, downsizing or investment option.
