Street-front single-level living doesn't get much better than this! The front home of two in a prime location near Dorset Primary School and The Mall, this three bedroom plus study unit is big on space and scope. Inside, a bright living/dining zone is accompanied by a well-appointed kitchen, formal lounge with gas wall furnace and a central bathroom with separate WC. The outdoor area is equally impressive with the 592sqm (approx.) allotment offering a carport and a low maintenance entertainment setting. Ideal as a first home or investment with options to renovate/update or potentially subdivide (subject to council approval).
