Family Home with Subdivision Potential (STCA)

In a quiet, family-friendly pocket that's convenient to all amenities sits this original three bedroom beauty. Warmed by northern sun, it comprises a light-filled lounge with large windows, neat kitchen/meals and a family bathroom with separate WC. Additional luxuries include gas ducted heating, evaporative cooling, electric cooking and tile floors throughout.

Bursting with features, the sizeable backyard hosts a bungalow with kitchenette, floating floors and split system heating/cooling ? ideal for use as guest accommodation or a separate dwelling (subject to council approval). There's also excellent off-street parking space with a huge four-car garage offered with a kitchenette and bathroom.

A wonderfully generous parcel of land totalling 710sqm (approx.), offers the astute purchaser options to renovate and/or subdivide (subject to ...
