**Remarkably Stylish Single-Level Gem**

With a perfectionist's approach to quality, style and space, this single-level unit boasts a rare two bedroom, two bathroom configuration with a host of luxury inclusions. Sleek timber-look floors enhance open-plan living/dining where a stone-topped kitchen with S/S appliances is the focal point. From here, glass sliding doors provide a seamless transition to a sunny, north-facing courtyard complete with artificial lawn and a paved area for alfresco entertaining.

The sleeping arrangements are equally impressive with a lavish master bedroom offered with a large walk-in wardrobe and ensuite, while the second bedroom has a built-in robe and ensuite-effect to the main bathroom.

High-end appointments aplenty, the home is blessed with double-glazed windows, European laundry, gas ducted heating, split system air condition...
