Renovated Bliss & Elegant Hamptons Flair

Please enter off Augusta Road

Graced with exquisite renovated charm and a considered family layout over a single level, this 4 bedroom, 2 bathroom Hamptons style residence is truly remarkable on a 1010 sqm (approx.) block. A stunning facade and landscaped gardens make way for internal spaces dominated by stylish pine flooring and sensational natural light. Living zones include generous formal lounge, expansive living room, and relaxed family/meals, while the kitchen has a French provincial style to it along with terrific storage options and premium appliances. A master bedroom has access to a WIR and sleek ensuite, meanwhile the covered alfresco entertaining area with outdoor kitchen is well-sized and perfect for summer dining. This truly is a special family offering in the most tranquil of locations close to renowned schools including The Basin Primary School, St. Bernadette's Primary School, and Heritage College.
