Family Entertainer in Beautiful Garden Setting

Stylishly conceptualised for a relaxed family lifestyle, this spacious home on 786sqm (approx.) offers sun-drenched interiors dressed in classic elegance. Enjoying an elevated position in the bowl of a quiet and leafy cul-de-sac, manicured gardens open into a clever layout that separates the living zones from the sleeping quarters. The formal lounge/dining domain is the perfect place to recline, while the family room seamlessly extends out to a huge entertainer's deck, benefitting from a sunny northerly aspect and spectacular views over adjacent parkland and walking tracks. Three robed bedrooms are serviced by a central bathroom with separate WC, while the master boasts its own well-appointed ensuite and walk-in robe. Climate-controlled with heating and cooling systems, additional features to this beautiful home include an updated kitchen with S/S appliances, large laundry, double carport and significant under-house storage. Ready to welcome a growing or established family, all this is situated in a prized Ringwood North location with excellent schools and bus services nearby. Ringwood North Shopping Centre, Eastland and EastLink are also easily accessible.
