Grand Family Living & Entertaining

Poised on an acre (approx.) of enchanting grounds, this luxury five-bedroom single-level family residence is set within an exclusive cul-de-sac.

Highlighted by parquet floors, a modern colour palette and plentiful natural light, the interior is cleverly configured: the parents' retreat-style quarters offers a veritable escape from the everyday with a spacious walk-in robe, luxurious twin vanity ensuite with spa and private verandah access. The children's bedrooms all include built-in robes and share a sleek main bathroom with separate WC.

The most avid of chefs will appreciate the gourmet kitchen; situated at the very heart of the home, it flaunts premium European stainless-steel appliances, stone surfaces and a generous walk-in pantry for a seamless cooking experience.

Free-flowing formal and informal living areas embrace the outdoor recreational features, enjoying scintillating views through large walls of glass. The solar-heated,
