**Unique Lifestyle and Income Producing Opportunity!**

Set amongst 6.5 hectares (approx.) of invigorating and restorative landscape, this hidden gem affords an income producing lifestyle with flexible options.

Beautiful ferns, mature eucalyptus trees and native wildlife and birdlife will be your constant reminder you are inhabiting one of Victoria's most scenic areas.

Currently being run as luxury boutique accommodation, these 4 private cottages provide a strong income stream allowing you to live, work and play from home. The property also boasts an enviable lifestyle for the owner/manager. A beautiful, executive style home with extensive living areas, entertainment decks and secluded gardens - it's all here for the taking.
