A single level star that has amazing entry level allure for first time buyers and downsizers on the hunt for a relaxed and low-maintenance residence in a superb Doncaster location, this 2 bedroom residence is ready and waiting for you! The entry steps off into the spacious living zone which has enough space for designated lounge and meals areas. The light-filled and private kitchen has functionality in mind and direct access to the laundry, meanwhile both bedrooms with BIRs are just steps to the well-appointed bathroom. The private rear courtyard offers amazing potential for summer fun, while this home is perfectly positioned only moments to Jackson Court Shopping Centre, Doncaster Reserve, and the Eastern Freeway. This home is also only 1 of 4 on the block!
